"A BIG Fish in a Small Town"
Have you heard the buzz around town about the fantastic idea of art-in-the-park? You paint a small wooden fish, which is provided by Aromas Hills Artisans, and your small fish is added with other fish to make one large fish, that will be on display in the park. You can paint a fish at any Grange breakfast. ~ all you need is your imagination. Everyone is encouraged to participate.

Congratulations to Jan Saxton for being elected to the State Grange Executive Committee! We're proud of you!
