Good News, Good News, Bad News

The bad news is you didn't win the quilt. The good news is the Grange won the quilt. Not only did the Grange buy quilt tickets but a lot of people donated their raffle tickets to the Grange, so thank you very, very much! The other good news is that we raised almost \$600. for the scholarship fund. That makes the bad news, not quite so bad.

Thank you to all the people who donated to the Aromas Day Silent Auction. The Teressie White Memorial Scholarship Fund was able to raise \$2100.
